<u>Council Member Brent Taylor</u>	735-3793	<u>btaylor@northogdencity.com</u>
<u>Council Member Carl Turner</u>	737-0398	<u>cturner@northogdencity.com</u>

NORTH OGDEN POLICE DEPARTMENT – 782-7219

School is back in session, autumn is upon us, the leaves are beginning to change, and our little ones will soon be going around the neighborhood trick-or-treating. We wish to take this time to remind parents of some helpful Halloween safety tips:

- When selecting costumes for your children, select outfits with light colored or reflective features. These make your children easier to see after dark.
- Select costumes which use makeup rather than masks. Masks reduce your child's line of sight, which can be hazardous when walking in areas with tripping hazards or when crossing the street.
- Foam and plastic costume props provide a safer alternative than wood or metal accessories.
- Keep costumed children away from pets. Animals may not recognize costumed children and can become nervous or fearful. This often leads to the animals biting children.
- Provide each child with a flashlight.
- Have an adult or older child escort younger children, make sure they exercise caution around roadways and vehicles, and do not permit them to enter people's homes.
- Only go to houses where you know and trust the residents.
- Examine candy before allowing your children to eat it.
- Only accept opened or home-baked goods from people you know and trust.
- Know where your children are going, who they will be with, and when they will be home. Also provide them with a cell phone so you can keep in touch with them.

On the topic of Halloween, this is also a season when the police department sees an increase in criminal mischief complaints. Please make sure that any Halloween decorations are secure in your yard to avoid them being stolen, and be mindful that every year, a large number of pumpkins are stolen from people's yards. These are often used to damage mailboxes and other property. We hope that everyone has a safe and enjoyable Halloween.

The City Offices will be closed on Monday, October 10th, in observance of Columbus Day.

CERT - COMMUNITY EMERGENCY RESPONSE TEAM

BUILDING OFFICIAL – 737-2214 FLOOD PLAIN INFORMATION

Questions regarding flood zones should be directed to Gary Kerr. FEMA flood maps are available for your review in our office. We also have elevation certificates.

Former Miss North Ogden, Lindsay Farr, daughter of Dennis and Julie Farr, plays a starring role in the new Joseph Smith movie, Joseph Smith Volume 1: Plates of Gold. Congratulations Lindsay!

CODE ENFORCEMENT

With school underway and winter soon approaching, we are asking property owners to trim their trees over the sidewalks, curbs, and streets. The trees limbs need to be trimmed to a height of 9 feet tall. This prevents the limbs from getting in the way of pedestrians and snowplows. Also be aware it is not lawful to place yard sale, garage sale, and other similar type signs anywhere in the city except for one sign on one's own property. There are other ways to advertise your sale such as ksl.com or in the newspaper. If we have to pick up signs left up over the weekend from a yard sale, garage sale, etc., we will follow the signs directly to your home and politely issue a citation. These types of signs end up being blown off the poles and littering the city.

Thank you for your cooperation with this matter. If you have any questions or concerns, please call Bruce at 801-737-9831 or Brandon at 801-737-9839.

COMMUNITY SERVICES – 737-0587 – 2705 N 550 E

During the month of October the Parks Department will be in the process of closing the restrooms for the winter. We will begin taking park reservations for next year (2012) on January 3rd.

Boys Basketball
 3rd thru 9th
Grades
Registration
October 1st –
October 31st

We would like to thank everyone for the amazing 2011 season! The Aquatic Center closed on Labor Day and we taught a record 1,928 swimming lessons. Season passes will go on sale for the 2012 season at the end of October.

Green Waste Pick Up

The City has scheduled the fall Green Waste Pick Up for October 17th-21st, 2011; collection will be on your regular garbage day. The volume of material may; however, delay collection. The regulations mentioned below must be followed when placing material out for collection. All materials must be in bags, boxes or containers. Bush clippings and small tree limbs must be bundled and no longer than 5 feet in length. Weight limit is 75 pounds. Place materials in parkways, not in curb or waterways.

This is a Green Waste Clean Up Only.

We appreciate citizen participation and encourage your use of the compost facility. For that reason the **compost facility will be open for your use at NO CHARGE the entire clean-up week (Monday –Friday) from 8am to 4:30pm and Saturday from 9am to noon.** If you have questions contact the City Shop at 801-782-8111 or email mrobison@northogdencity.com.

Green Waste Facility Closing

The Green Waste Facility will close for the season on October 29th.

We would like to say THANK YOU to all the facility volunteers for this year. You are the reason that we are able to continue to offer this service for the residents.

The compost facility will be open during the Fall Clean-up days of October 17th -21st, 2011 from 8:00am to 4:00pm at no cost. If you should need to deposit green waste after November 5th and before the snow accumulates, please contact the Public Works office at 782-8111 and we will try to open the area. We are available Monday through Friday 8:00 to 4:00 (Except holidays) and will do our best to accommodate your needs. We thank you for taking time to clean the waterways of debris.

If you are interested in volunteering for next season please contact Shelly at 782-8111.

During winter, snow will fall and travel will become more challenging. The dedicated men and women of our Public Works Department will be out in force keeping our roadways as clean and safe as possible.

We would like to remind everyone to use extreme caution around the plow trucks and to utilize the information below. Our Public Works Department has an excellent safety record, and you can help us continue to provide safe and effective snow removal by following these tips. If you have questions or concerns, please contact the Public Works Department at 801-782-8111.

Safety Tips and Guidelines

Please make sure you are at a safe distance when pulling out in front of a plow truck – Our trucks can weigh in excess of 10 tons and require a longer than normal stopping distance on slick pavement.

When following a plow, allow plenty of stopping distance – Plow trucks make frequent stops and back up with little warning. Remember, if you cannot see a plow truck's side view mirrors, the driver cannot see you.

Remain at a safe distance from rock salt – Rock salt is our main defense against slick pavement and our plows are capable of spreading this salt in a 20-foot pattern behind the vehicle. We do use shielding to deflect this pattern, but occasionally rock salt can damage nearby vehicles or come in contact with pedestrians.

Please do not pass plow trucks – Please take a few minutes and allow us to clear your path.

When Is Parking on Streets Not Allowed?

From November 15th through March 15th of each year there is no parking on the streets from midnight to 6:00 am.

There is no parking on the streets and roadways anytime during a snowstorm or within 24-hours following the cessation of a storm. Cars, trucks, trailers, or other vehicles parking on the streets or roadways against these rules are considered a public nuisance and may be towed at the registered owner's expense.

Why Does My Driveway Get Plowed In?

The snowplows are designed to direct snow to the curbside of the plow blade. These side-delivery plows are the fastest and most efficient means available to remove snowfall from the streets. As a result, snow is discharged along the length of the curb, the parkways, and the private driveway areas. There are thousands of private driveways city-wide, and cleaning these off is the responsibility of the owner. Residents that feel they are unable to clear the snow from their driveways, sidewalks, and from in front of their mailboxes should prearrange with a church group, neighbors or by hiring a service provider for this because the City does not provide that service. To ensure that both the streets and your driveway are cleared efficiently, please follow these guidelines:

Pile your snow to the right side of the driveway – This will help alleviate the amount of snow that is piled at the end of your driveway after plows pass through.

Wait until your street has been plowed before clearing your own driveway – This will prevent your own snow piles from being piled back onto your driveway.

Don't discharge your snow into the streets – Ordinance prohibits this. Snow may freeze or become compacted, creating a safety hazard for all motorists. Homeowners may be held liable for damages caused by this road hazard or may be fined for causing the hazard.

NORTH VIEW SENIOR CENTER – 485 E 2550 N – 782-6211

Monday

830a Ceramics
 900a Magic Workout
 930a Crocheting and Hand Work
