

REQUEST FOR PROPOSALS- SEWER INSPECTION TRAILER

DUE: Friday, August 11, 2017 at 4 pm Mountain Standard Time

ALL PROPOSALS MUST BE SUBMITTED TO THE CITY RECORDER'S OFFICE NO LATER THAN 4pm, August 11, 2017.

TITLE: Sewer Inspection Equipment

PROJECT MANAGER: Trent Wilkins

Sealed proposals are hereby solicited and will be received at the City Recorder's Office located at 505 East 2600 North, North Ogden, Utah between the hours of

8 am and 5pm, Monday through Friday, but no later than 4pm on Friday, August 11, 2017 for the requirements specified herein.

The City desires to obtain a new sewer inspection trailer to assist in regular maintenance of the City's vast sewer system. The equipment must be able to:

- Inspect 1000 feet of sewer line remotely
- Operate in sewer lines as small as 6" in size
- Operate visual inspections remotely.
- Compatible with all tracking/GIS software
- Inter-changeable camera features
- 24hr support
- Built in sonde locator
- 14x8 enclosed trailer, with walk-thru design and partition wall.
- Remote control and keyboard handling capabilities
- Pressurized wash down station

The City will consider additional benefits including software support, modular equipment components, dealer locations, camera quality, recording quality, storage capacity, system speed, and other similar equipment variables.

All vendors must include a short summary of equipment specifications and firm price. Vendors may include any information which they deem is important for the city to review prior to its decision.

Submittals

The original and one (1) copy of this entire request for proposal document package shall be signed and submitted complete including the original and one (1) copy of the proposal data or attachments offered. Original shall be noted or stamped "Original."
