It was determined that the suspects had stolen merchandise that was on display in front of the store. The subsequent investigation revealed that these suspects had committed similar crimes throughout Weber County and northern Davis County. The person believed responsible for the thefts was identified, and it was discovered that since this theft, he has been arrested on multiple unrelated felony charges and transported to Utah State Prison.

On 8/6/17, a juvenile resident reported being the victim of a fraud. She advised that she had attempted to sell an item online. She received a check from a "buyer" that was well in excess of the agreed upon asking price, cashed the check, and forwarded the excess money via wire transfer as instructed by the buyer. She also received and cashed a second check, however has not yet forwarded that money. She has since been advised that the checks were fraudulent and that she would likely be responsible for the loss.
