

North Ogden City

Staff Report

To: Mayor and City Council
From: Bryan Steele, Finance Director *BRS*
Date: 2/24/15
Subject: Landscaping Plan

Jesse has been working hard on putting together a more detailed plan for the landscaping at the Public Works Building. He received an informal bid for the plan from a landscaping company, which came in at just under \$90,000. He is waiting on two other informal bids which he hopes to have before council meeting.

His best guess, mostly based on the estimate he and Jones & Associates did from the plan presented at Council Meeting last month, and the informal bid is that a budget of \$90,000 should be sufficient.
