Re: A resolution to amend the consolidated fees charged by North Ogden City, Utah for Animal Licenses.

The attached resolution creates a surcharge that will be added to the annual dog license fee. The surcharge amount can be added after your discussion. The following examples of annual revenue generated by a surcharge are based on 1,500 dog licenses.

<u>Surcharge</u>	<u>Annual Revenue</u>
\$3.00	\$4,500.00
\$5.00	\$7,500.00
\$8.00	\$12,000.00
\$10.00	\$15,000.00

We charge the following for animal licenses per year.

- Dog, Unneutered or Unspayed \$30.00
- Dog, Unneutered or Unspayed and Micro Chipped \$20.00
- Dog, Neutered or Spayed and Micro Chipped \$5.00
- Dog, Neutered or Spayed \$10.00
- New Dog, Part of Year (After July 1st) Unneutered or Unspayed \$15.00
- New Dog, Part of Year (After July 1st) Neutered or Spayed \$5.00

We also charge \$2.00 for duplicate licenses and a \$15.00 late fee for dogs licensed after March 2nd. The surcharge will not affect these fees.

The resolution also restricts the use of these funds for dog park construction. They can't be used for ongoing maintenance of the park.

RESOLUTION _____
