STAFF REPORT**

TO: MAYOR AND CITY COUNCIL
FROM: LORI BUTTARS, PIO WEBER-MORGAN HEALTH DEPT.
SUBJECT: WEBER COUNTY “BE AIR AWARE” CAMPAIGN
DATE: 1/23/2014

Hi Annette,

Lou Cooper, Environmental Health Director at Weber-Morgan Health Department, will be making a presentation at your meeting about our “Be Air Aware” campaign. The health department is trying to raise awareness about air quality in the Ogden-area and to educate residents on steps they can take to help improve it on a local level. We are asking surrounding cities to help us by posting signs with the message: Drive less, reduce idling and maintain your vehicle.
