Subject: Ordinance updating the North Ogden City Purchasing Policy

Based on the feedback the Council provided at the last meeting regarding the new Purchasing Policy, I have made additions to Section 4 of the proposed policy. I have added in a level where written bids are required obtained through a bidder's list. The limits are \$12,000-\$24,999 for obtaining these types of bids. Section 4 is on pages 3 and 4 of the policy and the additions are in bold typeface.
