
**NORTH OGDEN CITY
STAFF REPORT**

TO: MAYOR AND CITY COUNCIL
FROM: TIFFANY STAHELI
SUBJECT: CHERRY DAYS BOOTH FEES
DATE: 10/17/2013

In researching the procedures of other cities and town festivals, it appears that most charge a higher registration fee for vendors who plan to sell food products than for vendors who sell wares.

Vendors who sell food products require more of our staff time to accommodate their booth placement, dispose of waste, and cleanup after the festival.

Electricity at North Ogden Park is available only in certain areas of the park. It requires extra time and staffing to accommodate electrical needs, and the current electrical fee is not regulated as to the amount of electricity provided.

FEES

- Basic Booth.....\$60.00 (already on fee schedule)
- Food Booth.....\$80.00
- Electricity (1 outlet, 110 volt).....\$15.00 (current fee \$10)
- Extra Electricity (1 outlet, 110 volt).....\$15.00 *Subject to Availability*

I am presenting this information to you for your consideration for our fees for Cherry Days 2014.
