Re: Agreement for a prosecuting attorney

Attached, please find an agreement between North Ogden and Chris Allred for his services as our prosecuting attorney. Chris is currently employed with the Weber County Attorney's office and has been a prosecuting attorney for South Weber and Washington Terrace.

He has agreed to serve in this position for the same fee we paid Mr. Daines. Over the past five years, the City paid an average of \$8,025.00 per year for these services.
