<b><u>Council Member Jim Urry</u></b>	<b>668-1928</b>	<b><u>jurry@nogden.org</u></b>

### MAYOR TAYLOR'S MESSAGE

April was another busy month for your city government. On April 15<sup>th</sup> we had a special visit by Senator Mike Lee to North Ogden. He had milkshakes at Kirt's with the North Ogden and Pleasant View Youth City Council's. Our youth had questions ranging from the fun to the serious, including what was the Senator's favorite color, to his daily schedule and views on immigration. The North Ogden Youth City Council is a fantastic group of young people with awesome advisors. Earth Day was April 22<sup>nd</sup>, and I am pleased to announce that North Ogden was once again awarded the prestigious Tree City USA designation. North Ogden has always been a leader in caring for the environment. We were the first city in Weber County to offer a curbside recycling program all the way back in 1995 (7 years before any other city offered this), and we have the highest recycling rate in Weber County. We need to join together and make a renewed effort to boost recycling even more. Weber County recently began offering a recycling incentive to cities. This means we are paid for everything that goes into the blue can, while we pay a high landfill fee for everything that goes into the black can. The City Council is examining efforts to boost recycling, such as weekly pickup or reducing the cost of a 2<sup>nd</sup> recycle can. More information on these in the future. Until then, we can all help keep our rates low by placing more recyclable items into the blue can (NO glass or green waste items please). Together we can care for the environment and keep our taxes low by simply recycling more.

It's that time of the year when our sixth graders are graduating from the D.A.R.E. program. The D.A.R.E. program is taught to all three elementary schools, North Ogden, Bates, and Green Acres.

We would like to take this opportunity to thank some special supporters of the D.A.R.E. program. Thanks to Pier 49 Pizza, America First Credit Union, Kirt's Drive Inn, and Pizza Man. If you visit any of these special supporters, please thank them for their support of the D.A.R.E. program.

We would also like to thank the staff at the schools, the students, and their parents for allowing us to come into their schools and spend some time with the children.

NORTH OGDEN CITY is accepting applications until 4pm May 9, 2014, for a City Council Member to fill a mid-term vacancy on the Council expiring January 1, 2016 as set forth in Utah Code § 20A-1-510 Applications will be received at the Office of the City Recorder, 505 E. 2600 N. North Ogden, Utah. Applicants must meet the qualifications as outlined on the application and sign in the presence of a Notary. The City Council will interview applicants at the City Council meeting on May 13, 2014 beginning at 6:30pm or shortly after. Applications are available at [www.northogdencity.com](http://www.northogdencity.com) or North Ogden Municipal Building 505 E. 2600 N. North Ogden, Utah. Questions, please contact the City Recorder at 801-782-7211 x 830

**Tennis Lessons – Registration Opens May 1st**

Register online at [www.northogdenrecreation.com](http://www.northogdenrecreation.com)

Ages 5 and up

**COMMUNITY EMERGENCY RESPONSE TEAM**

Residents throughout the State of Utah were recently encouraged to take part in earthquake preparedness exercises as part of the Utah Great Shake Out. North Ogden's Community Emergency Response Team (C.E.R.T.) hosted a communications exercise in conjunction with the Great Shakeout. We would like to thank those residents who took the time on the evening of April 17<sup>th</sup> to assist with this exercise. Particularly, we would like to recognize the members of the Church of Jesus Christ of Latter Day Saints North Ogden Stake for their participation. Participants from seven of the eight wards in their stake took this opportunity to practice their radio communications skills as they reported fictitious scenarios that had been placed throughout the community for them to locate and report.

Our next Community Emergency Response Team meeting is scheduled for 6:30 p.m. on Thursday, May 15<sup>th</sup> at the North Ogden Police Department, 515 E. 2600 N. Anyone interested in emergency preparation and planning is welcome to attend.

North Ogden's City Offices will be closed Monday, May 26<sup>th</sup>, in observance of Memorial Day.

**NORTH OGDEN POLICE DEPARTMENT – 801-782-7219 – 515 E 2600 N**

We would like to thank Honor Society and other students from North Ogden Junior High for volunteering to assist North Ogden City during a recent clean-up activity. These students spent time after school cleaning up and beautifying McGriff Park. The rock berm around the bowery at the park had become overgrown with vines, and these hard-working students were able to remove the plants and clean the berm area. They also cleaned the picnic area and tables. Residents will now be able to enjoy a clean park and picnic environment thanks to these students. First impressions are lasting impressions, and people will often judge a community by the condition of the parks and neighborhoods. Well maintained communities also deter certain criminal activities. It is great to see these young men and women take pride in our community and keep the parks and other areas pleasant and inviting. Our thanks go out to the North Ogden Junior High School students for volunteering their time to participate, and to Officer Child for coordinating the students' efforts with the city.

**SOLICITORS IN NORTH OGDEN**

With spring here, we begin to see things popping up like tulips, daffodils and people going door to door trying to sell us products and services. North Ogden City's ordinance regarding solicitors (4-4-6) reads, "Unless otherwise exempt under this chapter, all persons desiring to engage in door to door solicitation within the city, prior to doing so, shall submit a completed application to the licensing officer and obtain a certificate. Everyone going door to door selling things should have a solicitor's license. As illustrated below a solicitor's certificate or badge will be bright florescent green in color and have the solicitor's name, address, phone number and picture displayed. It should be located on the front of their shirt in plain view. Each employee of a company working an area must have a badge.

John Smith  
123 E 4567 N  
Ogden, UT 84404  
801-123-4567

**ANNUAL**

Date of Issue 03/21/2014

Expiration Date 03/21/2015  
Solicitor Permit #0090

*S. Annette Spendlove*  
City Recorder

John Smith  
Solicitor Name

If you see a solicitor in your neighborhood without a North Ogden City license, please call the Weber County Non-emergency Dispatch # 629-8221. They will send the first available officer out to look for the solicitor and inform them of the need to get a license.

There are certain groups and individuals, who are exempt from this requirement if you have a question about their possible exemption, please call (801)737-2213.

**SEWER BACKED UP?**

**What to do if A Backup Occurs-** First, take action to protect people and valuable property. You may call the city at 782-8111 during business hours or 782-7211 after hours, and as a courtesy service we will check the main sewer line. Any blockages found in the main lines will be promptly cleared. If the main line is not blocked, we recommend you call a plumbing or sewer contractor to check your lateral line. Maintenance and repair of the lateral serving the home is the homeowner's responsibility. Clean up of the home should be done as soon as possible to minimize damage and possible negative health effects. There are qualified local businesses that specialize in this type of clean up.

**Back Up Prevention-**Taking notice of what is flushed down toilets and sinks can prevent most backups. DO NOT flush the following materials (or similar items) down toilets/drains. These items can plug the main and cause damage to you and other property owners connected to the main.

- Large quantities of toilet paper
- Paper towels
- Feminine napkins (plastic applicators)
- Disposable diapers
- Clothing-socks, underwear, etc
- Plastic, metal, wood, etc
- Large quantities of cereals or grains (the can swell with water)
- Live seeds, beans, and peas (they may sprout)
- Grease, fats, oils
- Sand
- Fibrous materials (cotton balls, q-tips, baby wipes, hair, rags, cigarette butts, etc)
- Sponges, scouring pads, shop rags

Thank you for taking the time to protect you and your fellow property owners.

*Did you know...?* "Water" was the first word that Helen Keller learned? Pineview water is on for the season as of May 1<sup>st</sup> and once again we are asked to conserve water by not watering between 10:00 a.m. and 6:00 p.m. Water costs money... don't waste it! A dripping faucet or fixture can waste 3 gallons a day...a total of 1,095 gallons a year

**Conserve Water and Save Money!**

A friendly reminder from your water department personnel, where we're dedicated to quality and service.

Water leak usage at 60 psi water pressure:

<u>Diameter of Stream</u>	<u>Gallons per:</u>		
	Minute	Week	Month
1/4"	9.76	98,458	393,833
3/16"	5.50	55,500	222,000
1/8"	2.44	24,666	98,666
1/16"	.61	6.166	24.666

We are fortunate to live in a city with its beautiful surroundings and spectacular views. With those mountains and views come hillside, slopes, and steep grades, which require detention ponds to slow the flow of water, from running out of the city too fast. There are over 30 detention ponds throughout the city and chances are that you may live close to one of them. We are asking your consideration and cooperation in maintaining those ponds by not using them for your refuse (limbs, grass, animal waste, etc).

Your refuse causes added work for the 2-person maintenance team and limits the proper flow of water in the ponds. Thank you.
