

## Staff Report

To: Mayor Harris and the City Council  
Fr: Ron Chandler  
Dt: February 21, 2013  
Re: Public Works Facility Discussion

Brent Chugg has asked that you discuss a budget and price for the public works facility. This will help the public works facility committee determine the components and level of construction for the facility. Bryan is prepared to discuss the monies that are available in each fund for capital improvements.
