
**NORTH OGDEN CITY
STAFF REPORT**

TO: CITY COUNCIL
FROM: MAYOR HARRIS
SUBJECT: FINANCIAL READY RESOLUTION
DATE: 2/22/2013

At a recent Utah League of Cities and Towns Legislative Policy Committee meeting, the enclosed resolution was presented for consideration by individual cities. The resolution encourages the Utah State Legislature and, to the extent possible and applicable, counties and cities to be prepared for “financial emergencies” that may be caused by possible losses of federal revenue to the State. It is given in much the same vein as “Be Ready Utah” encourages us to be prepared for possible environmental emergencies such as earthquakes or floods. I am, in turn, asking North Ogden’s City Council to consider passage of the “Financial Ready” resolution.
