**TO:** MAYOR AND CITY COUNCIL  
**FROM:** ANNETTE SPENDLOVE, CITY RECORDER  
**SUBJECT:** MINUTES SEPTEMBER 9, 2003 & DECEMBER 11, 2012  
**DATE:** 1/17/2013

---

I am asking that you consider amendments to two sets of minutes.

First the September 9, 2003 minutes currently stand approved as the City Council approving on page 2 & 3 an Ordinance #2003-17 when the Ordinance was recorded as Ordinance #2003-18.

Second the December 11, 2012 minutes currently stand approved as the City Council approving on page 6 of the minutes in the packet. The blue underlined are what is to be added and the red strike through are to be deleted. The corrections are exactly what the recording state.
