Re: Local Transportation Funding Agreement by and between Weber County and North Ogden City Corporation

North Ogden was awarded \$2,064,000 from the Local Transportation Corridor Preservation Fund by the Weber Area Council of Governments and Weber County in September 2012. These funds are to be used to purchase right-of-way for the Monroe Boulevard extension.

The final step for completing this grant application and award is an interlocal agreement with Weber County. The following summarizes the agreement:

- 1) Weber County contributes up to \$2,064,000 from the Local Transportation Corridor Preservation Fund.
- 2) North Ogden will comply with all Federal, State and local laws and rules when purchasing property.
- 3) The County and City to develop accounting and reporting procedures for the disbursement of the funds.
- 4) North Ogden will indemnify Weber County.
- 5) This agreement will terminate upon completion of the project.

The City attorney has reviewed this agreement and found it acceptable.
