

Memorandum

To: Mayor and City Council
From: Gary Kerr
Date: 1/6/2012
Re: New Business License Applications for the January 10, 2012 City Council Meeting

North Ogden City ordinance requires approval of all business license applications by the City Council. Each application is reviewed and approved by the Planning/Zoning Department and the Building Inspection Department. Commercial business license applications also require the review and approval of the North View Fire Marshall. The attached listing of new business license applications has been reviewed and approved by the required staff listed above. It is my recommendation that the City Council approve business license(s) for the listed businesses. licensees.
