MEMORANDUM

TO: City Council, North Ogden City
FROM: Dave Carlson, City Attorney
DATE: October 20, 2011
RE: AN ORDINANCE OF THE NORTH OGDEN CITY COUNCIL AMENDING SECTION 9-1-2 OF THE NORTH OGDEN CITY CODE TO REQUIRE AN OWNER OF PROPERTY TO BE CURRENT ON EVERY DEBT OWED TO THE CITY TO BE ELIGIBLE TO RECEIVE CITY SERVICES

Dear City Council Member:

Based upon comments made at your last City Council meeting, an amended version of the ordinance which requires utility customers to remain current on all fees and fines owing to the City was prepared; the amendment extends the maximum delinquency date from 60 to 90 days. In speaking with the utility department, it has strong reservations about making the 60 to 90 day change as they see that it will require a major shift in the way they do business, will result in more customers getting further behind and will increase the amount of fees that go uncollected by the City. The recommendation of the Administration is that the Council adopt the first version with the 60 day delinquency provision.

If you have any questions, I will be happy to try to answer them.
