

MEMORANDUM

To: North Ogden City Council

From: Craig Barker, Community Development Director

Date: April 4, 2011

Subject: Chicken Ordinance Changes

After the Public Hearing and City Council's review, staff has made the recommended changes to the ordinance allowing chickens in single-family zones. The changes that have been made include; allowing 10 chickens on properties with half acre or less; allowing 15 chickens for properties that are on more than half acre up to one acre; setbacks have been changed to three feet from all property lines and at least six feet from any dwelling on the same lot (the same as accessory buildings).
