**NORTH OGDEN CITY  
MEMORANDUM**

---

---

**TO:** MAYOR AND CITY COUNCIL  
**FROM:** ANNETTE SPENDLOVE, CITY RECORDER  
**SUBJECT:** VARIANCE REQUEST FROM TREV AND LONI WILDE  
**DATE:** 4/12/2011

---

Some of you may recall that we get this variance request each year. Mr and Mrs Wilde plant and harvest hay on property located at 1110 East 2750 N. Because of the time of day that is best to do this job it doesn't meet the noise ordinance that require no heavy machinery to start before 7am and to end at 10pm. The hay has to be harvested at a certain time in the early hours while the dew is still on the plant. They are requesting a variance to the ordinance.
