Re: Have a Heart Foundation

As the Council requested at the February 22, 2011 Council meeting, the staff looked to see if there was anything the City could do that would be beneficial to the HAH Foundation. Building Inspector, Gary Kerr, met with Bruce Nilson of Nilson Homes, who will be building the home. Mr. Nilson submitted a plan identical to a plan already reviewed by the staff. Therefore, the plan check fee was reduced from approximately \$900 to \$100. This falls within the fee schedule adopted by the City and does not put the City in a position of making donations. Other than that we could not find anything that the City could offer that would be beneficial. Nilson homes paid all the fees last week.
