

## MEMORANDUM

**To:** Mayor and City Council Members

**From:** Craig Barker, Community Development Director

**Date:** February 16, 2011

**Subject:** Sign ordinance revision to “Purpose”

---

The Economic Development Committee has been reviewing the City Sign Ordinance chapter of Zoning Ordinance and recommends changes to the first paragraph, the “Purpose” explanation. The City Planning Commission reviewed the proposal and recommended that the attached changes be made.

The City Council, if they desire to consider this proposal, will need to set a date for a Public Hearing, consider the public comments, and take action on the proposal.
