**NORTH OGDEN CITY  
MEMORANDUM**

**TO:** MAYOR AND CITY COUNCIL  
**FROM:** WADE BIGLER, COUNCIL MEMBER  
**SUBJECT:** THE SAND AT THE VOLLEYBALL COURTS  
**DATE:** 2/17/2011

---

Discuss changing the sand in the volleyball pits, courts, or whatever the outdoor ones are called. I think it may have the wrong kind of sand. Three different individuals and a young single adult group have all mentioned to me that the sand tears up their feet. They all said this independent of the others who said the same thing. I have gone and checked it out and they are correct. Ouch!
