Re: Final Acceptance Legacy North II Phase #6 Subdivision

J&H Development Company has completed all subdivision improvements for Legacy North II Phase #6 Subdivision. Bruce Higley, our Public Works Inspector, has inspected this subdivision and found all subdivision improvement items completed and in good condition. Kent Jones, our City Engineer, has also signed it off. It is my recommendation we give final Subdivision approval for the above-referenced Subdivision.

Final Acceptance will release all escrow funds with the exception of the deferred sidewalk escrow; which will remain in escrow till 11-1-2011. All remaining escrow will be released to the developer and give the City the responsibility to maintain street improvements.
