Re: The Consolidated Fee Schedule – Resolution 21-2010

The Consolidated Fee Schedule contains the business license fees that were discussed in Option E at the October 9, 2010 City Council meeting. The additions are in red and the items that will be deleted have a strike through. The Council passed and adopted on the 7th day of September 2010 an Ordinance creating a new Chapter 9, Municipal Code Enforcement, of Title 1, "Administration" of the North Ogden City Code. They also passed and adopted Chapter 8 "Administrative Hearings" and also specified penalties for violations of provisions of this Code. If City Council remembers, this was done in an effort to move criminal offenses to civil to be done before the Administrative Hearing process. That title, Administrative Hearing Judge, was appointed to Judge Patrick Lambert. This is just cleaning up the Consolidated Fee Schedule to allow for this process to be done in our Administrative Hearing process. Also, you will notice under Community Services the North Shore Aquatic Center passes. I have attached a memo from Dave Nordquist, Community Services Director, explaining those changes. This Resolution is before the City Council for their consideration.
