Re: Business License Fee Information

I have attached a file detailing four Business License fee options for the Council to review. I will discuss the impact of each option at Council meeting. None of the options include charging the Disproportionate fee for Rentals as this would require that we establish the Good Landlord program according to Legislative Code which we are not yet ready to do. We are charging the base rate and some form of disproportionate fee on businesses and the base rate and base regulatory fee on the Rentals.

Thank you.
