The Mayor and Council welcome your input and attendance at council meetings held the 2nd and 4th Tuesday of each month at 6:30 PM.

Work sessions are held as needed on the 1st Tuesday of each month. Check www.northogdencity.com for changes.

MAYOR'S MESSAGE

Substance Abuse Resources & the Importance of Family Dinner

While attending a recent law enforcement conference I was astounded by the constantly-evolving world of substance abuse and the scope of the nationwide drug abuse epidemic we are experiencing. From e-cigs falsely marketed to our youth as a “safer alternative,” to the explosion of prescription drug abuse overdose and deaths, to edible cannabis that can be taken without the suspicion of smoke or smell, to methods for cooking a small batch of meth in a water bottle, there are constantly new substance abuse methods enticing people into the terrible world of addiction. While we in law enforcement and government do our best to keep up, the critical role of parents and community members is more important than ever. If you or someone you love is struggling with substance abuse, please contact Weber Human Services at (801) 625-3700 or Northern Utah Narcotics Anonymous at: 1-877-479-6262 to get the help they need.

At a recent substance abuse conference I was inspired by the message of www.parentsempowered.org about the importance of family dinners. A nationwide study of 26,069 Canadian youths by McGill University published in the *Journal of Adolescent Health* found that: “More frequent family dinners related to fewer emotional and behavioral problems, greater emotional well-being, more trusting and helpful behaviors towards others and higher life satisfaction.” Likewise, Columbia University’s National Center on Addiction and Substance Abuse (CASA) found that: “Eating family dinners at least five times a week drastically lowers a teen's chance of smoking, drinking, and using drugs. Teens who have fewer than three family dinners a week are 3.5 times more likely to have abused prescription drugs and to have used illegal drugs other than marijuana, three times more likely to have used marijuana, more than 2.5 times more likely to have smoked cigarettes, and 1.5 times more likely to have tried alcohol.” **I hope that every family in North Ogden—regardless of religion, demographics, or family composition—will make family dinners a top priority.** Parents, families, and community will do more to end this epidemic than all the corrective powers of government.

CODE ENFORCEMENT

801-737-2218

Dear North Ogden Residence, thanks for keeping your weeds under control this past summer. Also I know I have been a little lax on trailers and trailer parking around the city. North Ogden City Code 11-10-22 states your trailers can only be parked on the roadway or the front of your house for two days to load or unload otherwise they are to be parked to the side of your house on asphalt, cement or pavers. I have noticed several trailers that are not parked properly throughout the city. Please let’s get our trailers put away for the winter or park them properly. This notice refers to all camp, boat and utility trailers. Let’s continue to make North Ogden City a beautiful place to live.

School is back in session, autumn is upon us, the leaves are beginning to change, and our little ones will soon be going around the neighborhood trick-or-treating. We wish to take this time to remind parents of some helpful Halloween safety tips:

- When selecting costumes for your children, select outfits with light colored or reflective features. These make your children easier to see after dark.
- Select costumes which use makeup rather than masks. Masks reduce your child's line of sight, which can be hazardous when walking in areas with tripping hazards or when crossing the street.
- Foam and plastic costume props provide a safer alternative than wood or metal accessories.
- Keep costumed children away from pets. Animals may not recognize costumed children and can become nervous or fearful. This often leads to the animals biting children.
- Provide each child with a flashlight.
- Have an adult or older child escort younger children, make sure they exercise caution around roadways and vehicles, and do not permit them to enter people's homes.
- Only go to houses where you know and trust the residents.
- Examine candy before allowing your children to eat it.
- Only accept opened or home-baked goods from people you know and trust.
- Know where your children are going, who they will be with, and when they will be home. Also provide them with a cell phone so you can keep in touch with them.

On the topic of Halloween, this is also a season when the police department sees an increase in criminal mischief complaints. Please make sure that any Halloween decorations are secure in your yard to avoid them being stolen, and be mindful that every year, a large number of pumpkins are stolen from people's yards. These are often used to damage mailboxes and other property.

We hope that everyone has a safe and enjoyable Halloween.

NORTH VIEW FIRE DISTRICT

315 E 2550 N | 801-782-8159

October is Fire Prevention Month for the Fire Service. We were able to hold our Yearly Open House on Mon. October 5, 2015. We were excited about the activities that we had planned and for the participation from the public. The National Theme this year for Fire Prevention Month is "Here the Beep Where You Sleep, Every Bedroom Needs a Working Smoke Alarm."

Did you know that roughly half of home fire deaths result from fires reported between 11 p.m. and 7 a.m., when most people are asleep? Smoke alarms save lives. If there is a fire in your home, smoke spreads fast and you need smoke alarms to give you time to get out. In fact, having a working smoke alarm cuts the chances of dying in a reported fire in half!

The **key message** of this year's Fire Prevention Week campaign is to install smoke alarms in every bedroom, outside each separate sleeping area, and on every level of your home, including the basement. Larger homes may need more alarms.

We were able to hold Live Fire Demonstration during our Open House where we showed the importance of smoke alarms and how quickly fire can grow. We took some video of the demonstrations and if you were unable to attend please visit our webpage at www.northviewfire.com and our like us on Facebook to see the footage. The video shows the importance of smoke alarms and how vital they are in preventing harm and mitigating an emergency.

Volunteers, age 55 and older needed. Senior Companion volunteers provide friendship, encouragement and assistance to older adults who are frail or have a disability helping them to maintain their independence. Volunteers with a low to moderate income may qualify for a small stipend to help defray the cost of volunteering. Contact Karyl Chae 801-625-3828 for more information.

Green Waste Pick up

The City has scheduled the fall Green Waste Pick Up for October 26th-30th, 2015; collection will be on your regular garbage day. The volume of material may; however, delay collection. The regulations mentioned below must be followed when placing material out for collection. All materials must be in bags, boxes or containers. Bush clippings and small tree limbs must be bundled and no longer than 5 feet in length. Weight limit is 75 pounds. Place materials in parkways, not in curb or waterways. **This is a Green Waste Clean Up Only.**

We appreciate citizen participation and encourage your use of the compost facility. For that reason the **compost facility will be open for your use at NO CHARGE the entire clean-up week (Monday –Friday) from 8am to 4:30pm and Saturday from 9am to 2pm.**

Green Waste Facility Hours

Green Waste Facility will remain open for its regular hours through November 23rd (weather permitting). We thank you for taking time to clean the waterways of debris. Any questions contact the City Shop at 782-8111, or email srobison@nogden.org

During winter, snow will fall and travel will become more challenging. The dedicated men and women of our Public Works Department will be out in force keeping our roadways as clean and safe as possible.

We would like to remind everyone to use extreme caution around the plow trucks and to utilize the information below.

Our Public Works Department has an excellent safety record, and you can help us continue to provide safe and effective snow removal by following these tips.

If you have questions, or concerns, please contact the Public Works Department at (801) 782-8111.

Safety Tips and Guidelines:

Please make sure you are at a safe distance when pulling out in front of a plow truck - Our trucks can weigh in excess of 10 tons and require a longer than normal stopping distance on slick pavement.

When following a plow, allow plenty of stopping distance - Plow trucks make frequent stops and back up with little warning. Remember, if you cannot see a plow truck's side view mirrors, the driver cannot see you.

Remain at a safe distance from rock salt - Rock salt is our main defense against slick pavement and our plows are capable of spreading this salt in a 20-foot pattern behind and to the sides of the vehicle. We do use shielding to deflect this pattern, but occasionally rock salt can damage nearby vehicles or come in contact with pedestrians.

Please do not pass plow trucks - Please take a few minutes and allow us to clear your path

When Is Parking on Streets Not Allowed?

From November 15th through March 15th of each year there is no parking on the streets from midnight to 6:00 a.m.

There is no parking on the streets and roadways anytime during a snowstorm or within 24-hours following the cessation of a storm

Cars, trucks, trailers or other vehicles parking on the streets or roadways against these rules are considered a public nuisance and may be towed at the registered owner's expense.

**Why Does My Driveway Get Plowed In?**

The snowplows are designed to direct snow to the curbside of the plow blade. These side-delivery plows are the fastest and most efficient means available to remove snowfall from the streets.

As a result, snow is discharged along the length of the curb, the parkways, and the private driveway areas. There are thousands of private driveways city-wide, and cleaning these off is the responsibility of the owner.

To ensure that both the streets and your driveway are cleared efficiently, please follow these guidelines:

Pile your snow to the right side of the driveway - This will help alleviate the amount of snow that is piled at the end of your driveway after plows pass through.

Wait till your street has been plowed before clearing your own driveway - This will prevent your own snow piles from being piled back onto your driveway.

Don't discharge your snow into the streets - Ordinance prohibits this. Snow may freeze or become compacted, creating a safety hazard for all motorists. Homeowners may be held liable for damages caused by this road hazard or may be fined for causing the hazard.

McGriff Park – 2950 North 900 East

Amenities: Playground Equipment, 2 Charcoal Grills, Electricity, Restrooms, Lights, Drinking Fountain, Sports Area and a Covered Pavilion with 10 tables, holds approx. 150 , Walking track 3/10ths of a mile.

ANIMAL CONTROL

801-737-2212

North Ogden has started accepting dog license renewals for 2016. Licensing fees are as follows:

- \$5.00 for spayed/neutered with microchip
- \$10.00 for spayed/neutered without microchip
- \$20.00 for unaltered with microchip
- \$30.00 for unaltered without microchip

*** In addition to the above licensing fee, North Ogden City has assessed a \$5.00 surcharge for each license to help pay for the new dog park. ***

As a reminder, households are permitted a maximum of two dogs per residence. Additional dogs are only allowed at residences that have been granted a kennel permit by North Ogden City.

GLOW RUN

OCT 30th - 8:00PM

\$25.00 pre-registration until October 25th

North Ogden City Municipal Election

November 3, 2015

North Ogden City is holding a "Vote by Mail" election on November 3rd. Official ballots will be mailed to all registered voters beginning October 6th. More information, including registration deadlines, can be found at www.northogdenrecreation.com or www.vote.utah.gov.

Voting is as simple as 1, 2 or 3!

You must affix a first class stamp to your ballot. All ballots returned through the mail must be postmarked no later than November 2, 2015.

Ballots may also be dropped off at a secure ballot drop box at the City Offices: 505 E 2600N, North Ogden. Monday - Friday 8:00AM-5:00PM

On Election Day, a Vote Center will be available at the City Offices for ballot drop off and assistance:

November 3, 2015
505 E 2600 N, North Ogden 7:00 AM to 8:00 PM

The Election Day Vote Center will allow those who did not receive their ballot to vote in person. Voters may also drop off their by-mail ballot at the Vote Center during the hours of 7:00 AM to 8:00 PM.
