NORTH OGDEN CITY CORP. 505 East 2600 North 782-7211

MAYOR AND CITY COUNCIL

Letters, Calls, and E-mails - The Council Members and Mayor welcome your input and attendance at council meetings. Meetings are held on the 2nd and 4th Tuesdays of each month at 5:30 p.m. Check the City website for changes.

Mayor Richard Harris	940-1882	rharris@northogdencity.com
Council Member Wade Bigler	782-9056	wbigler@northogdencity.com
Council Member Ronald Flamm	782-3411	rflamm@northogdencity.com
Council Member Martha Harris	782-3068	mharris@northogdencity.com
Council Member Brent Taylor	735-3793	btaylor@northogdencity.com
Council Member Carl Turner	737-0398	cturner@northogdencity.com

There are 3, four year term, Council seats beginning January 2012, open for election this year. Candidates must file a declaration of candidacy between July 1st and July 15th, in person with the City Recorder during office hours, Mon. – Fri., 9:00 am – 5:30 pm. The City Offices will be closed July 4th. Visit the City website for more information www.northogdencity.com.

Also, a position on the North View Fire District Board of Trustees, representing North Ogden City residents, is open to be elected this year. The position is a four year term that begins in Jan. 2012. You must be a registered voter at the location of your residence and be a resident within the City of North Ogden. Qualifications and applications may be picked up from the North View Fire District offices at the Fire Station starting July 1, 2011 through July 15, 2011 and must be submitted at the Fire District office at the North View Fire Station, 315 E. 2550 N., North Ogden, by 5:00 p.m. on July 15, 2011. Please contact Sallie Garcia, District Clerk at the District office for more information 801-782-9042.

The Clear the Air Challenge began June 13th and is a month long opportunity for you to help improve air quality, reduce traffic congestion, and conserve energy in Utah. North Ogden City's employees are taking part in this challenge issued by Governor Herbert and many community leaders, and we invite our residents to register also! The challenge is open to all Utah travelers, whether you are new to TravelWise strategies or use them daily. Check out the complete challenge rules and details on weekly and grand prizes!

North Ogden's City Offices will be closed on Monday, July 4th and Monday, July 25th. Enjoy your holidays!

BROKEN OR DAMAGED GARBAGE/RECYCLE CAN? Contact North Ogden City at 801-782-7211. We will send one of our techs to repair or replace the can. Your garbage/recycling can must be empty and out at the curb in order for us to repair/replace the can (if needed).

FIREWORKS IN UTAH – 2011

There have been some significant changes in the Utah Fireworks Laws that go into effect this firework season. We are asking for your help to keep your community safe this year by sharing these talking points. You may contact the Office of the State Fire Marshal at 801-284-6350. You may now purchase and use lawful fireworks from June 26 – July 26. (The dates for sale and use of fireworks for New Year and Chinese New Year celebrations remain the same.) A new type of aerial firework is now lawful. Aerial devices, also known as "multiple tube," "repeater," or "cake" fireworks often look like miniature professional displays and can travel high into the air, as much as 150 ft. Still not allowed: firecrackers, M-80, cherry bombs, bottle rockets, Roman candles, single or reloadable mortars, and ground salutes.

You must be at least 16yrs of age to handle or light fireworks. Fireworks need space from trees, carports, structures, or other obstacles. Aerial or "cake" fireworks need at least a 30ft bubble of clearance around on the ground and above in the air. Some need as much as 150ft clearance in the air. Should a firework misfire or not light, do not attempt to re-ignite. Children in Utah are burned each year by sparklers. The tip of a sparkler burns at a temperature of more than 1,200 degrees Fahrenheit, hot enough to cause third-degree burns. Children under age 12 should not use sparklers without very close adult supervision. Never hold or light more than one sparkler at a time. Teach children to hold a sparkler at arm's length from their body and not to wave sparklers or run while holding sparklers. Stand at least 6ft from another person while using sparklers. After a firework display, children should never pick up fireworks that may be left over, they may still be active. The following is the new Rule 710-2-6 about the display, sale and signage of aerial devices. Aerial devices are also known as cakes or multiple tube fireworks. This does not refer to bottle rockets or similar unlawful fireworks that shoot into the air.

Thank you to all those that made Cherry Days the huge success that it was. We couldn't have done it without all of our wonderful volunteers, businesses, and staff.

Sign up for our Summer Camps! Check out our website for all the upcoming registrations.

PARK RESERVATIONS
Reservations are being taken for parks through September in the Community Services Office. Reservations must be made in person. We are open Monday thru Friday 9:00 a.m.–5:30 p.m.

BUILDING OFFICIAL – 737-2214
FLOOD PLAIN INFORMATION

Questions regarding flood zones should be directed to Gary Kerr. FEMA flood maps are available for your review in our office. We also have elevation certificates.

NORTH OGDEN: ENVIRONMENTAL ACHIEVEMENT FOR MAY 2011

North Ogden and Waste Management are driving environmental performance with solutions that manage and minimize waste, while recycling valuable resources and creating clean renewable energy.

MAY 2011 REPORT

Below is a snapshot of data collected regarding North Ogden solid waste collection and recycling activities for the month:

TONNAGE DATA

Solid Waste: 713.40 Tons
Recycling: 91.40 Tons
Total: 804.80 Tons
Total Waste Diverted from Landfill: 91.40 Tons or 11.36%

Estimated Environmental Benefit based on single stream recycling tonnage:

- ✓ Saved 1,500 trees which equates to 18,000,000 sheets of newspaper.
- ✓ Saved 374,000 KW-hr of electricity. Enough power for the annual energy needs of 30 homes.
- ✓ Saved 42,000 gallons of oil. Enough energy to heat and cool more than 200 homes annually.
- ✓ Saved 2,100 gallons of gasoline.
- ✓ Saved 639,000 gallons of water.

NORTH OGDEN POLICE DEPARTMENT – 782-7219

Summer is finally upon us. With the warmer weather, North Ogden usually experiences an increase in criminal activity. This year, however, we have already experienced an unusually high jump in criminal mischief complaints in the city. Many areas of town have seen graffiti written on walls, utility boxes, parks and vehicles. Other areas have experienced numerous houses and vehicles being "egged" and fences being broken intentionally. Since Memorial Day, it is estimated that the cost of this damage has been in the thousands of dollars. All of this damage has been reported to have occurred in the late night and early morning hours, and on several occasions, the victims or neighbors reported hearing something suspicious during the night, but did not report the incident until the next morning because they did not want to "bother" the police by reporting something which may have been a false alarm. If you see or hear anything suspicious, particularly late at night, please contact the police immediately so we can check on the activity. Our non-emergency dispatch number is 801-629-8221.

Our goal is to work with the community to reduce criminal activity, so rest assured that you are not bothering us when you call. We have a limited number of officers on duty at any given time, and we rely on you to help by being our eyes and ears, and letting us know when and where suspicious activity is taking place, so we can direct our resources into those areas where it is needed. Who knows better what is or is not unusual activity in your neighborhood than the people who live there. We also wish to remind our residents that North Ogden parks close at 10 pm, with the exception of the skate park, which closes at dusk. The city also has a curfew in effect for anyone under the age of 16 years old. Juveniles under 16 years of age are not to be out between the hours of 10 pm and 4 am Saturday night through Thursday night, and between midnight and 4 am on Friday night unless accompanied by a parent or guardian or while in the course of their employment (NOC 6-2D-1). If you see juveniles out during these hours, please contact the police immediately and we will respond and check on those individuals. Also, if you see people who you feel may be involved in criminal activity, regardless of age or time of day, please contact our officers as soon as possible, so we can check on them and make sure nothing illegal is taking place.

Finally, on a side note, the State of Utah has passed a law expanding the types of fireworks permitted and the dates they are allowed to be used. We strongly encourage our residents to use discretion and common sense when and where you choose to use fireworks. Remember, anything that goes into the air will eventually come down, and we would hate to see people injured or property damaged because fireworks are used in an unsafe manner or in areas near our dry hillsides or other combustible materials. Please help us keep our community a great place to live, and we hope everyone will have a safe and enjoyable 4th and 24th of July.
